Dave,

Can you give me a quick call at your convenience?

I just spoke with Fred and am going to be sending a note to the Pls (and will cc you) for some input due COB today.

It relates the Harris letter.

I also want to touch base with you on what is going on with Pavillion, status of analysis etc.

I am going on the Chesapeake trip tomorrow so need to get some of these issues resolved today.

We can talk later this evening at your convenience as well.

Thanks.

Safe drive home,

Cindy
